CARNIVAL FINANCES

City Council Will Help the Firemen's Tournament.

The city council was engage! yester day afternoon in a heated discussion of the water works question when a number of members of the carnival association, headed by President Me-Cowan, made their appearance in the council chamber. In a few minutes the faces of the aldermen relaxed and became good-natured as Mr. McCowan addressed them in a request for financial aid on behalf of the carnival association. Where division had before been apparent, there was then unanimity and harmony and the members discussed the question of how best to stated, one Bob Turner having made a serve the carnival. After some conversation a motion was carried that receiving part back. the sum of \$500 be given to the carnival

are incidental to all such occasions.

A hearty "thank you," proceeded from the visitors and they left the council chamber in extremely good fumor. The city has, it is generally and the checks gone to St. Clair's

TRIP TO RAY

A Region Whose Former Activity is About to Be Restored.

A trip over an unbroken country to a How Easy It Is When Once 'Tis. A. Kimball, Warren Sirrine of Mesne and a Republican representative made a late start Saturday morning from the Kimball hotel at Mesa. A drive was

made ficteen miles to Buchanan's wells, where the team was watered. Mr. Euchanan expressed a strong hope that the road would be built. From the wells the journey was continued seventeen miles to Sand Tank wash, where water can always be secured. Here dinner was pread under a mesquite and washed down with hot coffee and reminiscences of the conquering of th wilderness of the great southwest, tol by the older members of the party.

From Sand Tanks to the old town Pinal the distance is sixteen milover a much heavier road than had been experienced. The teams were watered again at Hewey Hewett's cat-

oods' of high grade. Hell Gate. Here the horses were "The pair drove out with Richard G. watered. The nearness of bedrock to On Saturday Mr. Robles went dance of water is always running. To this gentleman St. Clair and where new construction begins

to be signed by D. H. Moffatt, the Denver banker. This was accepted,
whereat St. Clair wrote a check for
\$1.400 in favor of Mr. Robles. Meanwhile Mr. Freeman saw a misfit in the
name Moffatt, and that it was Moffatt.
This checked further proceedings.

town of Ray. The wash contains no
sand but heavy gravel and rocks
which eliminate any objection to its
being used. The wash is seven miles
long. There is nothing necessary to
be done to it except to throw out a few
rocks and bushes. It will be noted that This checked further proceedings, rocks and bushes. It will be noted that "St. Clair, it is learned, went through the proposed route has an abundance of the proposed route has an abundance of the proposed route." This fact brought the proposition mor
